## #LevelUpYourCareer

Join edOpp's exclusive job networking group!  
**Career Connect: The Next Level**

We understand the job search process can be challenging. That's why you need the support and resources of a professional network to help you level up your career!

### ▶ **CAREER READINESS WORKSHOPS**

While enrolled in one of our career training programs, take your job search to the next level by attending free online workshops for strategies and tools to develop your career.

### ▶ **PERSONALIZED CAREER COACHING**

After attending a career development workshop, students may schedule a 45-minute one-on-one career coaching appointment with our certified career counselor to focus specifically on your strengths, talents, and career goals.

### ▶ **GAIN EMPLOYMENT OPPORTUNITIES**

In partnership with Lane Staffing, certified students can access the latest job postings from Houston, Dallas, and Austin. After completing an employment application and matching to an opportunity, a recruiter will partner with you to secure temp/contract, temp-to-hire, or direct placement positions in your field.

### ▶ **NETWORK WITH A PURPOSE**

Building relationships with the right people is critical to the growth and success of your career.

### ▶ **Career Development Workshop Topics in:**

- Prepare For your Career Journey
- Develop a Winning Resume
