#LevelUpYourSkills

Level Up Your Career as a Medical Billing & Coding Specialist!

Earn an Industry-Recognized Credential in just 12 weeks! Professionals with a specialist credential gain the competitive edge to take their career to the next level.

- ▶ If completed, you will become eligible to take the **Certified Billing & Coding Specialist (CBCS)** credential exam.
- ▶ Career opportunities for **medical billing & coding specialists, certified medical coders, & medical billers** are **expected to grow at a faster-than-average rate** in the next 10 years and have many job openings. Source: onetonline.org
- ▶ **Around 19,870 medical records specialists were employed in Texas** according to a May 2023. Source: bls.gov
- ▶ **Median Salary: \$42k - \$48k**
- ▶ **Double Your Success with hybrid online learning: Instructor-Led Online Classes, and Self-Directed Study** to maximize your knowledge, skills, and success.
- ▶ Medical billers and coders are an integral part of the revenue cycle component of medical practices. Transcribing the physician notes to codes for the diagnosis and the procedure on the patient ensures patients and insurance companies are billed correctly and the medical office is reimbursed appropriately. Students will also be able to gain access to a system that helps with reducing the experience needed for positions in the healthcare field in medical billing & coding positions.

We offer program start dates every month throughout the year.
